DETAILED ACTION

**Reason for allowance**

**Claims 1-42 are allowed.** The following is an examiner's statement of reason for allowance:

**Set of claims 1-25:** None of the references of record teaches or suggests the claimed Method for fabricating an integrate electronic system having the step of populating the assembly template with the particular ones of the individual semiconductor structures to form a populated assembly template with the particular ones of the individual semiconductor structures on the populated assembly template and among other steps/limitations as claimed in independent claim 1.

**Set of claims 26- 42:** None of the references of record teaches or suggests the claimed Method for fabricating an integrate electronic system (in addition to other steps as claimed in independent claim 26), comprising: the step of positioning at least one semiconductor structure of the plurality of semiconductor structures in at least one receptacle of the assembly template, each semiconductor structure being positioned in a receptacle having a shape complementary to the geometric shape of the semiconductor structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

### Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dung A. Le whose telephone number is (571) 272-1784. The examiner can normally be reached on Monday-Tuesday and Thursday 6:00am- 4:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Nelms can be reached on (571) 272-1787. The fax phone numbers for the organization where this application or proceeding is assigned are (703) 872-9306 for regular communications and (703) 872-9306 for After Final communications.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
